Williams reached the quarterfinals and avoided joining defending champion Maria Sharapova on the way out of Roland Garros.

If this one does not have randomly generated maps, I don't think I'll play this one more than once either, how hard can randomly generated maps be? Even Invisible Inc has them.

No matter how mad Don Quixote must seem, his faithful squire goes along for the ride, in part out of loyalty and in part out of promised riches.

A winner by Murray is cancelled out by an unforced error, a winner by Chardy is cancelled out by Murray to again level at deuce.

"This study is a snap-shot and so it would be interesting to expand the research to look at changes in memory over time.

Evercore was Bridger's financial adviser and Latham & Watkins LLP and Vinson & Elkins LLP were its legal advisers.
